

Zaxby's in Hermitage, TN

Bonnie Ryan and her brother, Lee Oliver, Jr., opened their first Zaxby's in Lebanon, Tennessee in the fall of 2004, which has been very successful. They desired to continue their success by opening a second location in Hermitage, Tennessee in Fall of 2013. Through funding with the SBA 504 loan program in partnership with CedarStone Bank, they were able to purchase land and construct the new restaurant.

The new 3,800 square foot location seats 90 in Zaxby's unique design — a bright, open interior décor complemented by custom vintage prints and school memorabilia. Zaxby's also offers drive-thru services to meet the needs of customers on the go. An alternative to fast food, Zaxby's offers prepared-at-order chicken fingers, wings, sandwiches and salads, along with a choice of nine signature sauces.
